

MOBILE ELEVATING WORK PLATFORM
OCCUPANT KNOWLEDGE

In compliance with ANSI/SAIA A92.24 section 7.4, Occupant Knowledge, the below named person

_____, has received instruction on _____
(Date)

and has knowledge of working safely on a Mobile Elevating Work Platform (MEWP).

This instruction included:

- a) The requirement to use fall protection and the location of fall protection anchors.
- b) Factors including how their actions can affect stability.
- c) Safe use of MEWP accessories they are assigned to use.
- d) Site-specific work procedures the occupants must follow related to the operation of the MEWP.
- e) Hazards related to the task at hand and their avoidance, to include any applicable site risk assessment.
- f) General knowledge of the intended purpose and function of MEWP controls and safety related items specified by the manufacturer, including emergency shut-down and lowering procedures, to the extent required to lower the MEWP safely to the ground/stowed position (these requirements need only to be conveyed to at least one other occupant).
- g) Manufacturer's warning and instructions.

Occupant Signature

I certify that on the date above I instructed the above named person on items a thru g, as listed and this fulfills the requirement as specified in ANSI/SAIA A92.24, Section 7.4
